INFORMATION ON AWARD

Brief Description of Contract	: To make the Renewable Energy sector professionally, financially and technically viable and to cope up with the global requirement, this sector requires building up its capacity to meet up the rapidly growing demand of electricity and expanded system. A portion of the WB fund is to be used for capacity development of SREDA including power generation agencies. With this end, SREDA is going to engage a Training Management Consultant (TMC) for assessment of training needs on renewable energy system in the country electricity generation sector. As an immediate requirement the consultant shall also arrange two local trainings during 2021-2022 as planned by SREDA.
